Charge & Sync Flip Pro, Reversible USB to Reversible Micro USB Cable (3.3ft/1m)

Reversible USB to Reversible Micro USB

Ever get frustrated with fumbling around with your USB connector because you plugged it in the wrong side? Well, worry no more with IOGEAR's thoughtfully designed Charge & Sync Flip™ cable. This cable delivers more functionality than your standard micro USB cable by removing all the guesswork out of plugging in your devices. The premium cable features a reversible USB Type-A connector at one end, which allows you to easily plug in the USB no matter which side you plug it in, and a Reversible Micro USB connector at the other. No more looking at the connector and messing with it - simply plug and go! IOGEAR's ultra-durable Charge & Sync Flip™ Reversible USB to Reversible Micro USB cables are comprised of high-grade materials that enable precise construction, and make for a non-bulky, tangle-proof cable. These cables feature a top-grade braided nylon fiber sleeve and anodized aluminum end connectors for maximum durability.

Compatible with all Your Micro USB Devices

IOGEAR's Charge & Sync Flip™ cable delivers the flexibility to connect and charge in dual directions all Micro USB devices including smartphones, tablets, wearables, speakers, battery packs, headphones, cameras, console game controllers, e-readers (Kindle, NOOK, etc..) and more. Use it to connect your device to your computer's USB port to synchronize and update your pictures, music, and videos or IOGEAR's 6-Port Super-Speed USB 3.0 Hub for efficient charging and syncing. The Charge & Sync Flip™ can also be connected with a USB to AC power adapter, like the GearPower QuadSmart USB 4.2A Wall Charger for convenient charging from a wall outlet or.

- Our Flip™ Reversible USB connector eliminates the frustration of plugging the USB on the wrong side
- Reversible Micro USB connector
- Anodized aluminum shell for added durability
- Compatible with all Micro USB devices
- Sturdy and tangle-free design – suited with a braided nylon-fiber cable jacket

GAMU01 Charge & Sync Flip™ Pro

Braided nylon-fiber cable jacket

Connector pins are located in the center to allow the USB to be plugged in either direction.

Anodized aluminum connectors

USB can be plugged in both directions

Charge & Sync Flip Pro, Reversible USB to Reversible Micro USB Cable (3.3ft/1m)

- Reversible Micro USB
- Anodized aluminum shields and protects all the electronics and adds extreme durability
- Inner mold permanently bonds metal shield to cable
