Bluetooth Hands-Free Car Kit

Enjoy true hands-free freedom with IOGEAR's Bluetooth® Hands-Free Car Kit. This road-companion enables you to wirelessly place and receive calls on your Bluetooth-enabled mobile phone while keeping your eyes on the road and your hands on the steering wheel when driving. It clearly transmits all your phone calls wirelessly to your phone via Bluetooth® radio technology. Simply mount the unit on your car visor, and start experiencing the wireless freedom. Among its many features are built-in rechargeable batteries for long battery life, easy-to-reach controls, and hassle-free configuration. The Bluetooth® Hands-Free Car Kit is compliant with Bluetooth 1.2 specification and supports headset and hands-free profiles.

- Talk hands-free while driving safely
- Hands-free communication via your Bluetooth mobile phone
- Portable Speakerphone for in the home, in the office, or on the road
- Superior noise cancellation - Digital Echo Cancellation and Background Noise Reduction provide superior sound and voice quality
- Make free VoIP phone calls - VoIP compatible with Bluetooth-enabled computers
- Talk time of up to 8 continuous hours; standby time of up to 150 hours
- Charge the device through USB charging cable or car charger kit
- 30 ft wireless range
- Compatible with most Bluetooth-enabled mobile phones
- Easy to install
