Solar Bluetooth Hands-Free Car Kit

Enjoy true hands-free freedom with IOGEAR's Solar Bluetooth® Hands-Free Car Kit. This road-companion enables you to wirelessly place and receive calls on your Bluetooth-enabled mobile phone while keeping your eyes on the road and your hands on the steering wheel when driving. The kit's integrated solar panel harnesses the solar energy to help it recharge on the go. The Bluetooth® Hands-Free Car Kit is compliant with Bluetooth 2.1 +EDR specification and supports headset and hands-free profiles.

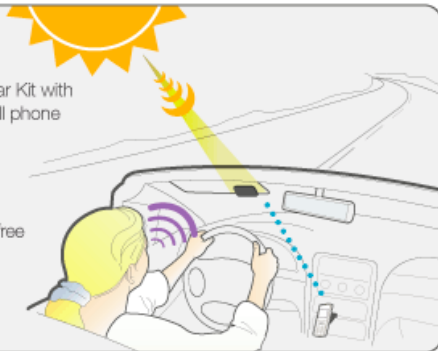

- Enjoy hands-free talking with the solar-powered Bluetooth speakerphone
- Multi-point connection: Switch between two phones and answer the phone that rings
- Provides up to 11-13 hours continuous talk time on a single charge
- Built-in solar cell helps keep battery charged
- Superior echo cancellation and noise reduction
- Bluetooth 2.1+EDR provides easy pairing and robust signals
- Windshield* and visor mounting bracket included
- Micro USB cable and vehicle charging adapter included

*Please check state and local regulations regarding legal windshield placement area before driving

How does it work?

- Pair the Solar Bluetooth Car Kit with your Bluetooth enabled cell phone
- The car kit harnesses the solar energy to help it recharge on the go
- Talk hands-free and cord-free while driving

Requirements

- Bluetooth enabled cellular phone / PDA / Smart Phone with support for Headset or Hands-free profile

*Please comply with the rules and regulations designated by local authority regarding mounting devices to your windshield.
