Solar Bluetooth Hands-Free Car Kit Multi-Language Version

Enjoy true hands-free freedom with IOGEAR's Solar Bluetooth® Hands-Free Car Kit. This road-companion enables you to wirelessly place and receive calls on your Bluetooth-enabled mobile phone while keeping your eyes on the road and your hands on the steering wheel when driving. The kit's integrated solar panel harnesses the solar energy to help it recharge on the go. The Bluetooth® Hands-Free Car Kit is compliant with Bluetooth 2.1 +EDR specification and supports headset and hands-free profiles.

Ships with User Guide in English, French & Spanish.

- Enjoy hands-free talking with the solar-powered Bluetooth speakerphone
- Multi-point connection: Switch between two phones and answer the phone that rings
- Windshield* and visor mounting bracket included
- One full charge provides up to 11-13 hours continuous talk time
- Superior echo cancellation and noise reduction

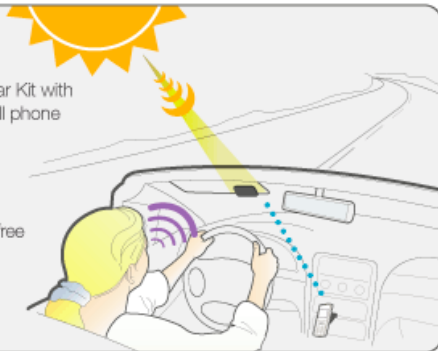

- Bluetooth 2.1 + EDR provides easy pairing and robust signals
- Dedicated volume and mute buttons provide intuitive user experience
- Micro-USB cable and vehicle charging adapter included

*Before mounting the car kit on your windshield, please check the state and local laws and ordinances where you drive

How does it work?

- Pair the Solar Bluetooth Car Kit with your Bluetooth enabled cell phone
- The car kit harnesses the solar energy to help it recharge on the go
- Talk hands-free and cord-free while driving

Requirements

- Bluetooth enabled cellular phone / PDA / Smart Phone with support for Headset or Hands-free profile

*Please comply with the rules and regulations designated by local authority regarding mounting devices to your windshield.
