

GBMA211

Bluetooth Stereo Audio Transmitter

Enhance your audio source devices with Bluetooth capability!

IOGEAR's Bluetooth® Audio Transmitter brings wireless Bluetooth technology to all your music and audio source devices including iPod, iPhone, MP3 players, computers, home stereos, and many more.

Best of all, it is Plug-n-play. Absolutely no software or complicated configuration is required.

- Enable Bluetooth Stereo Audio profile on your music source
- For use with most Bluetooth stereo headphones or speakers
- Plugs into any standard 3.5mm or phono plug music/audio device
- Use it on your iPod/iPod Mini, stereo, boom box, computer, MP3 player, and other music devices
- Auto-connect feature allows connection to most Bluetooth-enabled receiving devices
- No software required; Plug-n-Play
- Wireless range up to 33 ft (10 meters)
- Built-in rechargeable battery for up to 6 hours of continuous operation
- Very light and portable
- Class 2 device compliant with Bluetooth 1.2 specifications
