GCS104U

4-Port MiniView™ USB KVMP Kit w/Cables

With increased data bandwidth, true Plug-n-Play compatability and hot-swappability, USB has become the standard in low-mid speed peripheral communication. With this in mind, we developed the new MiniView™ KVMP switches with USB peripheral sharing capability. Use the MiniView™ with a monitor, USB keyboard, USB mouse and two other USB devices - any USB devices. If you need to use more USB devices, connect a USB hub to increase the number of shared ports. With IOGEAR's USB MiniView™, peripheral sharing has never been easier.

Cables included!

- Share a monitor, USB keyboard, USB mouse, and two more USB devices among four computers (Add USB hubs to share up to up to 127 devices)
- Bonded premium cables included
- Works with Macs, PCs and other USB-compliant computers
- USB 1.1 compliance ensures full compatibility with your USB devices
- Operating System-independent operation - no software required
- Connected computers can be added or removed from the setup without disturbing the other computers

- Plug-n-Play monitor support
- Supports video resolutions up to 1920 x 1440
- External power adapter included
- Simple push button switching
- Buffering technology prevents system failure
- LED allows for easy status monitoring
- Increases desk space and productivity while decreasing power and equipment costs
- Trim-line, compact design
- 3 Year Limited Warranty

Requirements

- PCs or Macs with at least one available USB port
- A USB compliant operating system
- A HDB15 video display adapter and monitor
- USB mouse and keyboard

Package Contents

- 1 MiniView USB KVM & peripheral switch
- 4 bonded USB-KVM cables
- 1 Power adapter
- 1 user manual
- 1 quick start guide
- 1 warranty registration

Specifications

Function	GCS104U		Dimensions	GCS104U
Housing			**Unit Dimensions**	
Case	Plastic / Metal		Height	2.1 in. (5.33 cm.)
CPU Connectors			Length	6 in. (15.24 cm.)
Mouse	4 x USB Type A		Width	9 in. (22.86 cm.)
Monitor	4 x HDB-15 Male (Std. VGA/SVGA)		**Unit Package Dimensions**	
Keyboard & Mouse	4 x USB Type B		Height	8.5 in.
Console Connectors			Width	12.875 in.
Mouse	1 x USB Type A		Depth	4 in.
Keyboard	1 x USB Type A		**Master Carton**	
Monitor	1 x HDB-15 Female (Std. VGA/SVGA)		Height	9.5 in.
Power			Width	13.675 in.
Voltage	DC 5V		Depth	21.375 in.
Amps	15mA (Max.)		Master Carton Qty.	5
LEDs			**Weight**	
Selected	4		Master Carton Wt.	30.15 lb.
On Line	4		Unit Pack Wt.	5.65 lb.
Auto Scan	1		Unit Wt. w/accessories	5.65Lbs.
Port Selection	Pushbutton		Unit Wt.	2.9 Lbs.
Power Consumption	DC 5V 75mW (Max.)			
Video Resolution	1920 x 1440 (Max.); DDC2B			
Scan Interval	3, 15 sec.			
Emulation				
Keyboard	USB Plug-n-Play			
Mouse	USB Plug-n-Play			
Computer Connections				
Direct	4			
Cable Length	2 ea @ 3.9ft (1.2 M) / 2ea @ 5.9ft (1.8 M)
