## USB 3.0 4-Slot Card Reader/Writer

### USB 3.0 4-Slot Card Reader / Writer

Whether it's recording your child's first birthday party or snapping a selfie at a memorable place, photos and videos are now more a part of our lives than ever before. With so many devices and different memory formats IOGEAR's new USB 3.0 4-Slot Multi-Card Reader is the perfect choice for moving your memories between devices. Featuring compatibility with the most popular memory card types- SD, microSD, Memory Stick, and Compact Flash, the USB 3.0 4-Slot Card Reader/Writer makes a great companion for both pro and novice photographers alike. With 4 slots, each for one type of memory card, you will be able to read multiple card at the same time.

As digital camera pixel counts have grown exponentially, so has the size of the image files. With high quality jpg images topping well over 6MB and .raw files being well upwards of 25MB, transfer speed becomes extremely important when moving images from memory card to computers, etc. For this reason the IOGEAR USB 3.0 4-Slot Card Reader/Writer employs USB 3.0 technology with up to 5Gbps data transfer speeds, so you can spend more time with camera in hand. USB's SuperSpeed transfer rate of up to 5Gbps is ideal for moving large files such as full-resolution photos, documents and videos between computers and mobile devices. The GFR382 is the perfect companion for smartphones, tablets, cameras, etc. The GFR382 from IOGEAR is also backwards compatible with USB 2.0.

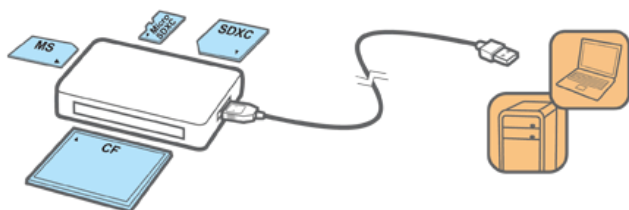

- Supports: SD, miniSD\*, microSD (128GB max for SDXC) / T-Flash, MMC, MMC Plus, RS-MMC, MMC Mobile (128GB max for MMC) / Memory Stick, MS Pro, MS Duo, MS Pro Duo, M2\*, MS Pro HG, MS XC (2TB max for MS XC) / Compact Flash, CF II, CF Ultra II, CF Extreme
- SuperSpeed data transfer - up to 5Gbps

- Reads and writes multiple media cards at the same time
- Specifically designed for reading / writing memory cards from smartphones, tablets, cameras, and other mobile devices
- USB powered – no external AC adapter required

\*requires card adapter

## How does it work?

## Requirements

- Windows Vista®, Windows® 7, Windows® 8, and Windows® 8.1
- Mac OS X
- USB port

## Package Contents

- 1 x GFR382
- 1 x USB 3.0 Cable (Micro-B to Standard-A)
- 1 x Quick Start Guide
- 1 x Warranty Card
