

GHD118C20

COMBO 1.8" ION? Drive (20GB)

The FireWire interface supports data transfer rates of up to 400 Mbps USB 2.0 interface, supporting high speed data transfer rates of up to 480 Mbps. This all-in-one solution can upgrade your computer in two minutes Many people buy new computers because they run out of room on their hard drive

- Instead of paying \$1500 for a new system, double/triple your hard drive room with the ION from IOGEAR
 - Increases your computer's life and your ROI

No technical knowledge needed to install it, no need to take apart your computer - plug it in and your computer immediately recognizes and uses it Perfect for today's needs, all of which consume a lot of room on your computer's hard drive:

- Music
- Videos
- Photos

Can also be used to backup your main hard drive so if it crashes ? and it definitely can ? you won't have lost your precious files Features not just one but both of the fastest connectivity technologies, USB 2.0 and FireWire 400

- Saves information faster
 - Important when dealing with large media files
- Works just as easily on Macs and PCs

It's the only elegant design available

- Small footprint make it a stylish and space-saving addition to your work area
- Can also be hung by its built in pocket clip, on airplane or car pockets

The FireWire interface supports data transfer rates of up to 400 Mbps Backward compatible with USB 1.1 specifications USB 2.0 interface, supporting high speed data transfer rates of up to 480 Mbps No fan needed, hi-tech design allows for optimal cooling without the need for additional noisy fans Hot-swappable, Plug-n-Play Compact size, perfect for the mobile professional 1 Year Limited Warranty

Requirements

To access FireWire® 400 and USB 2.0 speeds, your computer system must be FireWire® 400 and/or Hi-Speed USB 2.0 enabled. The 1.8" Combo ION? Drive will work at FireWire® 400 and/or USB 1.1 speeds with FireWire® 400 and/or USB 1.1 enabled computers.

For Mac Users ? Mac OS 9.x* ? Mac OS X (10.2) or greater ? Available FireWire 400 port ? Available USB 2.0 or 1.1 port

For PC Users ? PC Compatible, 200MHz or greater ? Windows® 98SE*, ME*, 2000, XP ? Minimum 64MB RAM ? Available FireWire® 400 port ? Available USB 2.0 or 1.1 port

Drivers are provided by the supporting OS or host card software.

(*) FireWire 400 - Mac OS 9 or greater, Windows 98SE, ME, 2000 & XP USB 2.0 - Mac OS X (10.2) or greater, Windows 2000 & XP USB 1.1 - Mac OS 9 or greater, Windows 2000 & XP

Package Contents

- GHD118C20 - COMBO 1.8" Hi-Speed 20GB hard drive
- 1 Premium FireWire cable (4-pin to 6-pin)
- 1 Premium USB 2.0 cable (Type mini-B to A)
- 1 Power adapter
- 1 Software CD
- 1 Manual
- 1 Registration/Warranty Card
