

GHD335C160

COMBO 3.5" ION? 160GB Drive w/ Tri-Select

Upgrade your computer in two minutes Double/triple your hard drive capacity
No technical knowledge needed to install it, no need to take apart your
computer - plug it in and your computer immediately recognizes and uses it
Perfect for today's needs, all of which consume a lot of room on your
computer's hard drive:

- Music
- Videos
- Photos

- Saves information faster
 - Important when dealing with large media files
- Works just as easily on Macs and PCs

It's the only elegant design available

- Small footprint make it a stylish and space-saving addition to your
work area
- Can also be kept on the floor, out of sight

Can also be used to backup your main hard drive Tri-Select backup allows
you to design multiple types of back up prescriptions for their computer,
whether backing up a single file or an entire directory, once set up the Tri-
Select button activate each specific backup as it is needed.

Combined with Dantz Retrospect, provides a corporate level back-up solution
ready to tackle the smallest or the largest of back-ups necessary to give you
piece of mind; Dantz Retrospect included free, a \$99.00 value.
