

GHDFDVIMW6

Gold Plated DVI Male to HD Female Adapter

Note: Part number change:

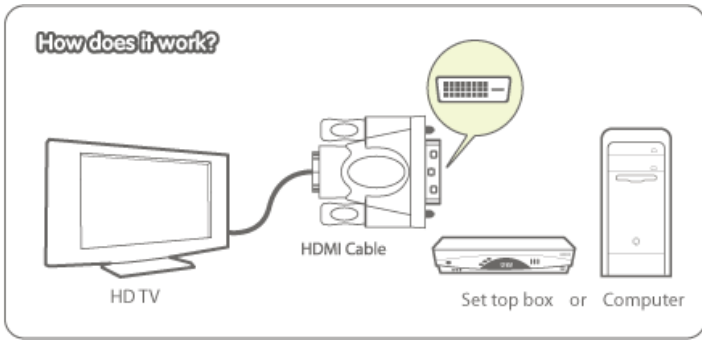

Old Part Number: GHDMIFDVIMW6 New Part Number: GHDFDVIMW6

IOGEAR's Gold-plated digital video adapter connects HDMI (F) to DVI (M) which allows you to connect an HD-enabled device to a DVI-enabled device using an HDMI cable. One end of the adapter is an HDMI female connector and the other end is a DVI-D Dual Link male connector. Simply plug the DVI male connector to a DVI-enabled device, and connect the other end of an HDMI cable that is connected to an HDMI-enabled device to the HDMI connection on the adapter.

- HDMI Female Connector

- DVI-D Dual Link Male Connector

Requirements

Package Contents
