Kaliber Gaming™ NUKLEUS Universal Gaming Headset

- Universal stereo headset for use with **PS4, PS5, Xbox Series X|S Xbox One*, Nintendo Switch, PC/Mac and mobile devices..**
- Large 50mm drivers deliver immersive highs and powerful bass
- Flexible boom microphone for gaming chat
- Built-in thumbwheel volume control for easy adjustments
- Noise isolating, ergonomic ear cup design for detailed sound and maximum comfort

NUKLEUS Universal Gaming Headset

Kaliber Gaming's NUKLEUS Universal Gaming Headset is designed to deliver the core features needed to destroy the competition, without destroying your budget. The NUKLEUS features large 50mm drivers inside noise-isolating ear cups for deeply immersive sound, with the clarity for faint details like your opponent's footsteps. NUKLEUS also includes a built-in volume control, flexible boom mic, and a universal 3.5mm audio connector making it compatible with PS4, PS5, Xbox Series X|S Xbox One*, PC/Mac and mobile devices.

New 50mm Drivers

NUKLEUS's new 50mm drivers are 36% larger than previous models, delivering increased bass output and lower frequency response than ever before.

- Universal stereo headset for use with PS4, PS5, Xbox Series X|S Xbox One*, Nintendo Switch, PC/Mac and mobile devices..
- Large 50mm drivers deliver immersive highs and powerful bass
- Flexible boom microphone for gaming chat
- Built-in thumbwheel volume control for easy adjustments
- Noise isolating, ergonomic ear cup design for detailed sound and maximum comfort
- Soft-cushioned memory foam headband conforms to head for better fit
- Includes Y adapter for PCs with separate speaker and mic jacks
- 3.5mm 4-pole stereo connector for universal compatibility
- 90 degree angled plug helps prevent broken audio connectors on console controllers

*Works with Xbox One™ controllers with a 3.5mm jack; other controllers require Xbox One™ Stereo Headset Adapter (not included)
