# Kaliber Gaming™ SAGA Surround Sound Gaming Headphones

The SAGA was designed from the ground up to meet the demands of gamers; delivering features and quality you would expect from Dolby and Kaliber Gaming

## SAGA Virtual Surround Sound Gaming Headphones

Kaliber Gaming, IOGEAR's brand of dedicated gaming products, is proud to present the new SAGA Virtual Surround Sound Gaming Headset for PS4, Xbox One S / Xbox One\*, PC, Mac, and mobile devices such as smartphone and tablets. If you have ever listened to a multichannel home theater system you know how much greater the experience becomes when you unleash the depth of a surround system. For this reason the SAGA features a built-in Dolby Pro Logic IIx Virtual Surround processor that converts your stereo audio signal into a virtual multichannel experience that can be enjoyed from almost any audio source, taking your music, movie or gaming experience to the next level!

IOGEAR's new SAGA Virtual Surround Gaming Headset is a feature-packed, multi-functional headset that in addition to providing an incredible home gaming experience also makes it easy to bring your music and movies to life while on the go. Whether you're out walking the dog, at the gym, or taking a business flight, the SAGA Virtual Surround Gaming Headset provides an immersive experience that puts you in the best seat in the house. The SAGA also features a comfortable yet stylistic design, so you can enjoy everything it has to offer without looking like a sports commentator that just escaped the broadcast booth.

- Universal stereo headset for use with Xbox One S/Xbox One\*, PS4, PC\*\*/Mac, and mobile devices
- Dolby Pro Logic IIx Virtual Surround Sound for the ultimate gaming, movie or music experience
- Game mode creates a fully immersive gaming or movie experience whether on a console, computer, smartphone or tablet
- Music mode brings your music to life by pulling vocals forward and opening up the sound stage
- Internal amplifier with electronic volume control boosts weak signal sources
- Built-in microphone for in-game chat or taking phone calls
- Internal Lithium Polymer rechargeable battery
- Passive mode allows non-amplified operation
- Ergonomic ear cup design made with breathable protein leather material for maximum comfort
- Soft-cushioned memory foam headband conforms to head for better fit
- Pivoting flat-folding hinges allow easier storage
- 3.5mm 4-pole stereo connector

\*Works with Xbox One S/Xbox One controllers with a 3.5mm jack; other controllers require Xbox One Stereo Headset Adapter (not included)

\*\*Requires standard 4-pole single 3.5mm audio jack; devices with separate speaker and mic jacks require an adapter (not included)
