IOGEAR®

GHPAKIT
Powerline Stereo Audio System

Powerline Stereo Audio Station

Easily connect your iPod® or favorite audio source with a RCA or 3.5mm audio connection, such as your MP3 or CD player, to the Powerline Stereo Audio Station.

Powerline Stereo Audio Adapter

Listen to audio throughout your entire house. Simply plug in the Powerline Stereo Audio Adapter into the wall outlet in any room. Connect your powered speakers to the Powerline Stereo Audio Adapter. Each Powerline Stereo Audio Station supports up to four (4) Powerline Stereo Audio Adapters.

- Brings music to multiple rooms without expensive audio cable installation
- Enjoy whole-house music in any room in your home of office
- Stream music to up to 4 Powerline Stereo Audio Adapters from 1 Powerline Stereo Audio Station
- Built-in SRS® Technology delivers optimum sound quality

- 3 ways of connecting your audio source to your Powerline Stereo Audio Station: an iPod or audio source with RCA or 3.5mm audio connection
- Remote access your iPod for volume control, track selection and to play and pause
- Uses HomePlug® powerline technology for a robust problem-free digital connection

Requirements

- Electrical wall outlet
