Slim Mobile Keyboard with Stand and Reversible Micro USB Cable

Slim Wireless Bluetooth Keyboard - Perfect for Android Devices

The Slim Mobile Keyboard is the perfect companion for mobile bloggers, writers, students or business travelers who work on-the-go. This Mobile Bluetooth Keyboard is ready to boost your mobile productivity wherever you are. A pocket folding stand comes included with this keyboard and helps prop up your smartphone or tablet at the perfect viewing angle. You can easily adjust the stand to three viewing angles: 63 / 69 / 75 degrees. To make life easier, this bundle also includes a reversible Micro USB cable so you never have to worry about plugging it in upside-down.

Multi-Link: Pair Multiple Devices

Multi-Link technology allows you to connect up to four Bluetooth HID enabled devices to the Slim Mobile Keyboard. Easily switch between your phone, tablet, laptop and streaming TV media player with the push of a button. Now you can work on your desktop, text on your smartphone, surf the web on your tablet and navigate your TV all without lifting your hands from the keyboard.
