Compact Desktop Combo

Introducing IOGEAR's latest wired keyboard and mouse set, the Compact Desktop Combo. This ultra-slim low-profile keyboard and mouse combo features a compact keyboard layout that allows you to take full advantage of your desk space. It also features 13 multimedia hotkeys that give you the freedom to control your multimedia applications at the press of a button. With only half the height of a conventional keyboard and low-depth key movements, the Compact Desktop Combo is ideal for those who enjoy the key movements of laptops or low-profile keyboards.

Included with the low-profile keyboard is a high resolution optical mouse. At 800 dpi, the optical mouse is able to pick up your most precise and accurate cursor movements.
