Spill-Resistant Desktop

The new spill resistant sleek design is appealing and comfortable for daily use. This keyboard and mouse combo provides better tactile feeling and less pressure on your fingers and wrists. In addition, the optical mouse provides greater accuracy over most surfaces and minimal hand movement due to its 800 dpi resolution. Take complete control of your desktop with hotkeys. The different hotkeys give you quick access to your most multi-media common tasks such as volume, CD play/pause, and previous/next track control – with a click of a button.

- Ergonomic low profile and slick design
- Spill-resistant feature protects your keyboard from accidental splashes and spills
- 800 dpi high resolution optical sensor delivers precise cursor movement and can be used on most surfaces
- 5-button mouse provides 4th and 5th or "back" and "forward" buttons for internet navigation
- Control your home entertainment functions with the built-in multimedia features on the keyboard

- Newly designed slim and stylish keyboard provides better tactile feel and accurate key response
- Hotkeys give you quick access to some of your most common tasks such as volume control, play/pause, previous/next track – with a click of a button
- Detachable wrist rest providing a better typing experience
