

GKM513

Spill-Resistant Keyboard and Mouse Combo

Eliminate liquid havoc on your keyboard.

IOGEAR's Spill-Resistant Keyboard and Mouse Combo is designed to be protected from accidental splashes and spills that may occur at the work place or home office. Just like you depend on your morning cup of coffee to get you going, you can also rely on the GKM513 to repel your cup of liquid energy if they should ever meet.

If your keyboard is introduced to a liquid intrusion, strategically placed canals under the keys will allow the fluid to stream away from the keys through the drainage channels.

- Spill-Resistant/SpillProof: Accidental liquid spills and splashes will harmlessly drain out of your keyboard
- High Resolution Optical Mouse
 - 1000 DPI delivers precise cursor movement
- Number Lock, Caps Lock, and Scroll Lock LED indicators
- Curved space bar keeps your hands in a more natural position
