

GKM521R

Wireless RF Keyboard/Optical Mouse Combo

Enjoy the freedom of wireless connectivity with IOGEAR's wireless keyboard/mouse combo. The keyboard and mouse allow you to work up to 6 feet away from the USB receiver connected to your computer. In addition, the optical mouse provides great accuracy over most surfaces and minimal hand movement due to its 800 dpi resolution. The ultra thin, lightweight, and stylish keyboard offers mobility and comfort wherever you type. Take complete control of your desktop with hotkeys. The different hotkeys give you quick access to some of your most common tasks such as e-mail access, volume control, and launching your web browser - at the push of a button. In addition, the included software makes your web surfing experience much more efficient with the use of Enhanced function keys. The customizable function keys, allow you to launch your favorite websites to make your web experience easy and convenient.

- Control keyboard and mouse with one single USB receiver
- Less hand movement with 800 dpi mouse
- Ultra thin lightweight keyboard
- Hotkeys give you quick access to some of your most common tasks such as e-mail access, volume control, and launching your web browser - at the push of a button
- Rechargeable mouse batteries save you time and money; simply place the mouse in the charging station to charge the batteries
