

GKM551R

## Long Range Media Center Desktop - US English

Enjoy the freedom of 2.4GHz wireless connectivity with IOGEAR's Wireless Media Center Desktop (long range wireless keyboard and mouse combo). The keyboard and mouse allow you to work up to 33 feet away from the USB receiver connected to your computer. In addition, the laser mouse provides great accuracy over most surfaces requiring minimal hand movement due to its 800 dpi resolution. The ultra thin, lightweight, and stylish keyboard offers comfort wherever you type. The Media Center (MCE) hotkeys give you quick access to My TV, My Music, My Video, and My Pictures.

- Control your computer from up to 33 ft. away with the reliable 2.4GHz bi-directional technology
- Media Center hotkeys offer quick access to your media tasks such as My TV, playback and volume Control
- The contoured laser mouse with soft rubber grips provides exceptional precision and comfort

### Requirements

Windows XP, Windows Vista, and Windows 7 \*

Mac OS X (10.2.x or later)\*

\* Media Center hotkeys only support XP MCE and Windows 7 / Vista Premium editions.

Specifications subject to change without notice.
