

GKM562R

Wireless Keyboard with Touch Pad

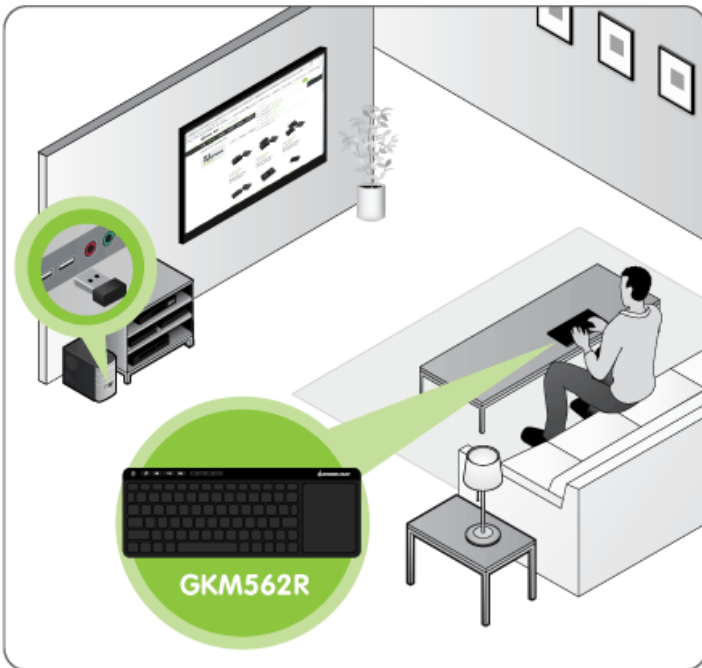

All-in-One Media Keyboard

IOGEAR's Wireless Keyboard with Touch Pad makes navigation and PC-to-TV control effortless by combining a wireless keyboard and touchpad into a single device. This is the ideal solution for your living room, bedroom or small office / home office (SOHO) environments.

- Navigate your Smart TV from your couch - up to 33ft away
- Wireless keyboard featuring a combination of touch pad, QWERTY keys and multimedia control keys
- 2.4GHz technology offers greater range up to 33 feet away from your computer
- 4.5 inch touch pad with high quality capacitor sense technology and built-in left and right mouse keys
- USB cable to charge keyboard's built-in lithium-ion polymer battery; no additional batteries necessary
- Low battery indicator
- ON/OFF switch for battery saving
- The perfect solution for Digital Living Rooms or PC to TV

Requirements

- PC with USB port*
- Smart TV or gaming console*
- Windows® 7, Windows® 8.1, Windows® 10
- Mac OS X v10.3.9 or later
