

GKM68H2KIT

## PC to HDTV Connectivity Kit

IOGEAR's PC to HDTV Connectivity Kit makes connecting your PC to your TV a snap! By providing you with the connectivity and functionality, the kit gives you the most flexible solution for getting audio and video to your big screen HDTV. The kit includes an IOGEAR's 2.0 External HD Audio / Video Adapter and a 2.4GHz Wireless Compact Keyboard with Optical Trackball and Scroll Wheel transforming almost any laptop or PC media server into an entertainment center masterpiece. This connectivity package takes the family room to the next level of entertainment by putting you in control.

Maximize your experience on your big screen HDTV from the comfort of your living room sofa or couch. The possibilities are endless...

- Freely browse all your favorite Internet sites
- Watch all your favorite Hulu, YouTube, and Netflix videos
- Keep up to date with Social Networking - Facebook / Twitter
- Check your email
- Windows Media Center and iTunes
- View all your family photos and videos

The 2.4GHz Wireless Compact Keyboard with Optical Trackball and Scroll Wheel lets you type and navigate in style and comfortably from any angle across the room. In addition to its creative design, it has built-in left and right mouse buttons with a scroll wheel, and optical trackball technology, giving you a stylish, ergonomic, and slip resistant wireless solution for your connected lifestyle.

### • PC to HDTV Connectivity

- Convenient USB 2.0 connection on your computer and HDMI on your HDTV
- Supports your HDTV 1080p high-definition resolution
