Bluetooth Wireless Tilt Wheel Laser Mouse

Experience precision, performance, and take control with IOGEAR's new Bluetooth Wireless Tilt Wheel Laser Mouse. Scroll through documents freely, browse the Web with ease, and take your gaming to another level with the convenient 4-way tilt-wheel scroll. Get exactly the precision you want with the advanced laser sensor and a dedicated sensitivity switch button with no driver installation needed. Versatile and lightweight, the new Bluetooth Wireless Laser Mouse is the perfect tool for offices, libraries, and schools as well as for mobile professionals, graphic designers, gamers, and desktop users.

Control your computer from up to 33 feet (10 M) away with this comfortable wireless laser mouse for PC or Mac enabled with Bluetooth® wireless technology. No transmitter / receiver dongle needed. Manage your mouse power with the on/off switch and battery indicator. Enjoy non-stop action by charging the ultra-light Li-Polymer battery conveniently through the USB cable. Protect your gadgets in style with the included carrying pouch.

- **4-Way Tilt Wheel** - Scroll horizontally or vertically to edit spreadsheets and digital pictures more efficiently
- **Adjustable sensitivity** - No driver installation needed. Dedicated button gives you instant access to four sensitivity levels - 400, 800, 1200, and 1600 dpi. Designed to complement various display sizes and work spaces
- **Power Management** - Increase your power life of the mouse with the on/off switch and battery indicator
- **Rechargeable** - Enjoy non-stop action by charging the ultra-light Li-Polymer battery through the USB cable. No battery replacement hassles
- **Bluetooth Wireless** - Connects to your Bluetooth enabled computer from up to 33 feet without the cable clutter or added transmitter / receiver dongle
- **Laser Precision** - Works on more surfaces without the need for a mouse pad. Experience the more precise, more responsive and smoother cursor control
- **Portability** - Carrying Pouch to protect your mouse when you are on-the-go
- **Extra comfort** - Enjoy the ergonomic and contour design with rubber coated finishing

How does it work?

- Turn on the mouse and press Connect button to put mouse in Discovery mode
- Open the Bluetooth program in your PC or Mac to search for new devices. Pair and connect to your IOGEAR GME229B Bluetooth mouse

Requirements

- Computer must be Bluetooth-enabled and support the HID profile*
- Windows 2000/XP/Vista/7
- Mac OS X v10.3.9 or later**

Package Contents

- 1 x Bluetooth Laser Mouse
- 1 x Carrying Pouch
- 1 x USB Charging Cable
- 1 x Quick Start Guide
- 1 x Warranty Registration Card

*If the computer/laptop is currently not Bluetooth-enabled, a Bluetooth USB adapter will be required. Refer to IOGEAR part number GBU221, GBU321, or GBU421

**The forward and backward buttons do not function under Mac OS.
