

GME521

## 5-Button USB Laser Mouse

- Advanced laser technology provides 30x more accuracy than optical mouse
- Super high resolution of 1600dpi reduces hand/wrist movement
- Convenient back and forward side-buttons for web browsing
- Instant Access button gives you direct access to Microsoft® Word, Excel, Outlook, PowerPoint and more
- Perform common Microsoft Office tasks such as Open, Save, Copy, Paste, and Print with the instant-access button
- Use this mouse on almost any surface, including opaque glass
- Uses very little real estate on your work surface - needs only a few inches for accurate movement
- Ergonomically contoured design for comfortable use
- Plug-n-Play and Hot Pluggable
- Solid 3 Year Limited Warranty

### Requirements

- Windows 98/98SE/ME/2000/XP
  - Mac OS X 10.1.5 or later, works as a two-button mouse
  - Mac 9.x or earlier, works as a one-button mouse
  - Available USB port
- NOTE:** 5-button functionality supported only under Windows with the provided software in the installation CD

### Package Contents

- 1 USB Laser Mouse
- 1 Installation CD
- 1 User Manual
- 1 Warranty/Registration Card
