

GMEFP1W6

## Personal Security Mouse

Safeguard your data while you are away from your computer with the IOGEAR Personal Security Mouse. It is compact and designed to travel with your laptop, and comes with built-in biometric fingerprint scanner with authentication technology. The 800 dpi optical technology provides optimal functionality. The biometric fingerprint scanner has over 99% accuracy rate, and eliminates a need for password lists. The security features include File/Folder encryption, website auto/secure login, and drive encryption for enhanced data security.
