

GMP1001PP

## GearPower Mobile Pocket Power 2000 (Susan G. Komen edition)

The GearPower GMP1001PP from IOGEAR is an ultra-slim, 2000mAh USB-rechargeable battery pack designed to charge your portable devices on the go. This pocket-sized wonder eliminates the hassle of finding a power outlet and/or charger when running low on power in your device. Bundled with interchangeable connectors, the GearPower GMP1001PP can charge mobile phones, digital cameras, handheld gaming devices, and much more, making it the one-stop-shop for all your mobile power needs.

Whether on the road, at home or in the office, with Gear Power you can keep your important electronic devices energized. Works with most smartphones including iPhone® (cable not included) and Samsung Galaxy® SIII, Bluetooth headsets, MP3 players including iPod® (cable not included) and other mobile devices. Fully charges most smartphones with power to spare! This lightweight and portable mobile battery pack features smart LED capacity display, built-in short-circuit, over-charge and temperature protection. Charging cable included with connectors for many USB charging devices. Battery life of up to 800 rechargeable cycles.

Note: Not recommended for iPads or other devices requiring 2.1A charging current.
