GearPower - Leather Case for iPhone with Built-in Battery Pack

Are you looking for the latest cool accessory for your iPhone?

The new IOGEAR GearPower - Leather Case for iPhone with Built-in Battery Pack is a "must have" accessory for those power users with the need for a hard-side protection exterior.

Concealed inside the case is a slim 1300mAh Lithium-Polymer battery pack, this pack offers up to 5* hours of extra talk time. The case features an on/off switch for the battery pack to preserve power for when you most need it. Smart power management is an essential part of an effective mobile lifestyle.

- Premium leather case with integrated lithium rechargeable battery
- Add up to 5 hours of talk time / Internet use
- Add up to 24 hours of audio playback
- Add up to 7 hours of video playback
- 1300mAh Lithium-Polymer battery
- Charge and sync cable
- On/Off button for smart power management
- Lightweight and thin design
- Soft suede lining

Note: Your usage times may vary depending on settings and usage scenario.

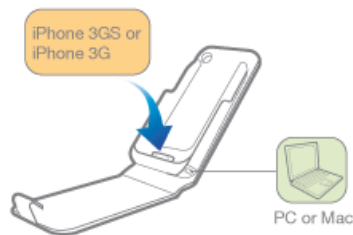

How does it work?

■ To charge the case: Connect the Micro-B USB cable to the case, connect the USB cable to your computer or USB power adapter*.

■ Slide iPhone onto the 30-pin connector to charge & sync.

* Not included
