

GMP2K

## GearPower 2400mAh Capacity Mobile Power Station for Smartphones and USB devices

### Portable Battery Pack

New to IOGEAR's GearPower portable battery line for 2013, is the GMP2K Mobile Power Station. Featuring a USB 1A charging output with 2,400mAh capacity you can fast-charge nearly any smartphone or MP3 player back to full capacity with power to spare!

The GMP2K serves both as a battery extender to your power hungry mobile devices, also a battery charger when conventional AC outlets are not available. It is compatible with most smartphones such as iPhones, as well as MP3 Players, handheld gaming systems, etc.\*

This stylish battery can go anywhere with you. Don't let power hungry apps keep you from using your smartphone to the max when a conventional A/C wall outlet is not available.

### How does it work?

- Connect your mobile device to the USB output with your device's cable, or use the included cable to charge Micro-USB devices
- Works with iPhone®, iPod®, Bluetooth headsets, etc.
- To recharge the 2400mAh Mobile Power Station simply connect to any USB port or USB wall charger (not included)

### Requirements

- A Computer USB port or wall power outlet to be used with included Micro USB charging cable

### Package Contents

- 1 x Mobile Power Station
- 1 x USB to Micro-USB Cable
- 1 x Quick Start Guide
- 1 x Warranty Card
