

GMP4400PP

GearPower Mobile Power Station 4400 for Smartphones and Tablets (Susan G. Komen Edition)

Charge your smartphone, tablet, and other mobile devices anywhere with our rechargeable, external battery pack. IOGEAR's GearPower Mobile Power Station with Device Adapters will keep you powered up.

Power draining apps on your smartphone or tablet will no longer keep you on a usage time limit or tethered to a power outlet. With 4400mAh at under a half-pound, this latest edition to the GearPower line is sleek, powerful and compact for portability anywhere. Whether you're on vacation, camping, or on your commute to work, the Mobile Power Station is your everyday power rescuer.

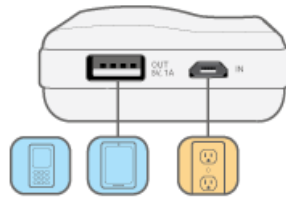

Know how much power you have with the convenient LED power indicator and button. Simply press the power button to check the lithium-ion portable battery's power level.

- 4400mAh of reliable power
- Connect device to 5V 1A USB charging port
- Works with USB powered mobile devices (smartphones, cameras, tablets, MP3 players etc.)
- Built-in short-circuit, over-charge, and temperature protection
- Designed for compact portability
