GearPower High Capacity Mobile Power Station for Tablets and Smartphones

Attention all smartphone, tablet, and mobile device users! You're external, rechargeable battery is here.

Never worry about your handheld devices running out of power when you're on the go - especially when using power draining apps! Give extra juice to anything from an iPad to the Kindle Fire, to your favorite MP3 player.

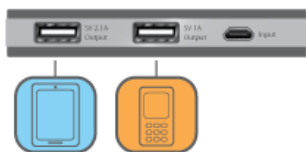

IOGEAR'S Mobile Power Station is here to give your mobile devices power when you can't afford to be tethered to a power outlet. This latest addition to the GearPower family is slim, lightweight design allows you to travel in comfort and style. The high capacity lithium-polymer mobile battery will give your devices a reliable charge of 6600mAh when you need it the most. Track your Mobile Power Station's power level with the blue LED indicator.

- 6600mAh high capacity, slim profile battery
- Dual USB outputs: 2.1A+1A allows simultaneous charging of tablets and smartphones
- Capable of charging iPad, iPhone, iPod, mobile gaming devices, etc
