

GMP7K

GearPower 7000mAh Capacity Mobile Power Station

USB Battery Charger

New to IOGEAR's GearPower portable battery line for 2013, is the GMP7K Super Capacity Mobile Power Station. With USB outputs for two devices, 2.1A charging, and a huge 7,000mAh capacity you can give even your most power hungry devices a boost with this pocket sized package!

The GMP7K serves both as a battery extender to your power hungry mobile devices, also a battery charger when conventional AC outlets are not available. It is compatible with most smartphones such as iPhones and Samsung Galaxy, tablets, handheld gaming systems, digital cameras, and mp3 players.

This stylish battery can go anywhere with you. Don't let power hungry apps keep you from using your smartphones or tablets to the max when conventional AC wall power is not available. Charge your tablet and smartphone at the same time with the dual charging USB ports.* This is a must have for anyone with an iPad™, Galaxy Tab™, Kindle Fire HD, or other tablet device.

*Output is full 2.1A with one device connected (to either port), or 1A on each port with 2 with devices connected.

- 7,000mAh lithium-polymer cell provides a compact, yet super high capacity battery
- Dual USB outputs provide 2.1A output to a single connected device, or 1A each to two connected devices
- Provides fast, convenient charging of almost all mobile devices
- Perfect for mobile users and business travelers when conventional A/C outlets are not available
- Compatible with iPad, iPhone, iPod, smartphones, tablets, mobile gaming devices, etc
- Built-in short-circuit, over-charge, and temperature protection
- Includes Micro USB charging cable compatible with most smart phones
- Includes USB wall charger and convenient carry pouch

How does it work?

- Connect your mobile device to either USB output port with your device's cable, or use the included cable to charge Micro USB devices
- Connect a second device to the other USB output port
- Once charged up, enjoy the freedom of power anywhere

Requirements

- A Computer USB port or wall power outlet to be used with included USB to A/C wall adapter

Package Contents

- 1 x Mobile Power Station
- 1 x USB to Micro-USB Cable
- 1 x USB A/C Power Adapter
- 1 x Protective Carry Pouch
- 1 x Quick Start Guide
- 1 x Warranty Card
