## 1A USB Power Adapter w/US & EU Plugs

This 1A USB wall charger from IOGEAR is a great replacement power supply or USB device charger that works with most USB powered products. The 1A (1000mA) output is enough to charge nearly all current smartphones, and power most USB devices. The charger does not include a cable, but features a standard USB Type A connector that accepts all standard USB device power cables.

The IOGEAR USB Power Adapter includes both a U.S. plug and an E.U. plug and works with 100-240VAC, allowing use while traveling. As an added benefit, this power adapter features compatibility with iPhone/iPod so it makes a great low-cost travel charger for your smartphone, camera, MP3 player or other USB powered device.

Also serves as a replacement charger for IOGEAR's:

- GearPower Mobile Power Stations (all GMP models)
  - As an optional charger/power adapter for IOGEAR's MediaShair Hub (GWFRSDU)
  - KeyMander Controller Emulator for Game Consoles (GE1337P)
  - NetShair Nano (GWPAP1)
  - Solar Bluetooth Hands-Free Car Kit (GBHFK231)
  - Bluetooth with NFC Audio Receiver (GBNAR3)
  - Wireless Mobile and PC to HDTV (GWAVR)
  - ...and more....
- 
- 1A (1000mA) USB output power supply for electronic devices
  - Includes US and EU plugs
  - iPhone/iPod compatible
- 
- Works with smartphones, MP3 players, cameras, etc.
  - (USB charging cable is included with GMP1001W6 and GMP1001W6A)

## Requirements

A USB powered device requiring up to 1A power.

## Package Contents

- 1 x GPA60002 1A USB Power Adapter
- 1 x US power plug
- 1 x EU power plug
