IOGEAR®

GPACML01

DuoLinq™ 2-in-1 Car Charger

Stream your favorite road trip playlist, movies, games AND utilize GPS apps LIKE
Google Maps OR Waze without ever worrying about running low ON power.

GearPower - DuoLinq™ 2-in-1 Car Charger (Lightning & Micro USB)
Keep your iOS and Micro USB devices charged and ready to go while on the road with IOGEAR's DuoLinq™ 2-in-1 Car Charger. This universal car charger is designed to work with both Apple and Android devices. The DuoLinq™ Car Charger delivers 2.4A output to rapid charge all your power hungry devices, even tablets. Stream your favorite road trip playlist, movies, games and utilize GPS apps like Google Maps or Waze without ever worrying about running low on power. An integrated 2-in-1 Lightning and Micro USB charging cable with an additional USB port offers the flexibility of charging cross-platform devices simultaneously.

One Cable to Charge Them All

IOGEAR's DuoLinq™ design eliminates the need for separate charging cables by integrating two connectors into a single cable. The Micro USB connector is used for Android, Windows and Blackberry devices, while the Lightning connector is compatible with Apple iOS devices. To charge iOS devices, simply snap on the attached Lightning connector adapter to the Micro USB connector and you're ready to go. To charge Android, Windows, or Blackberry devices, plug the Micro USB connector directly into the device. Designed with durability in mind, the DuoLinq™ Car Charger's integrated 2-in-1 charging cable comes equipped with an ultra-durable polyurethane material that can withstand prolonged wear-and-tear.

- Built-in DuoLinq™ 2-in-1 charging cable (Micro USB + Lightning)
- 2.4A output rapid charges all Apple Lightning™ equipped devices or Android devices
- Additional 5V 1A USB charging port
- Compact design plugs into any vehicle lighter socket or 12V power port
- Flexible 1m (3.3ft) length cable
- Strain relief connector for maximum durability
