# 2-Port eSATA 3Gbps ExpressCard/34

## Ultra-fast SATA is 6 times faster* speed than that of Hi-Speed USB 2.0 and FireWire 400

The IOGEAR eSATA 3Gbps Dual Port ExpressCard/34 adds 2 eSATA ports to your laptop computer. It is great for users who want to add SATA connectivity to their laptops but do not want to buy a whole new laptop. Devices commonly used with eSATA ExpressCard/34 adapters are next generation hard drives, DVD drives such as Blu-ray optical drives, HD-DVD drives and personal media drives. The slim, portable design fits easily into a laptop bag or backpack.

With support for hard disk hot-plugging, this eSATA adapter provides a convenient way to add high-speed, high-capacity hard disk drives to your laptop. It works in any available ExpressCard slot and supports data transfer rates up to 3.0 Gbps. This 2-port eSATA ExpressCard adapter offers independent command fetch, scatter/gather, and command execution features. In addition, it also supports 48-bit LBA for drives with capacity larger than 137 GB.

ExpressCards, the brand new standard designed to replace CardBus, effectively quadruples the amount of available computing bandwidth. This results in faster music downloads, smoother streaming video, and lightning-fast access to mass-storage devices.

*Performance derived from standard specifications. Actual performance may vary and depends on many conditions and variables, including PC performance, file size, and other settings.

For more IOGEAR SATA product ideas, see reference chart below. IOGEAR SATA Cards Reference Chart

- Supports ExpressCard/34 and ExpressCard/54
- Two independent Serial ATA channels to ensure maximum performance

- Backward compatible to SATA 150 (1.5 Gbps)
- Supports Native Command Queuing (NCQ), port multiplier, hot-plug, and hot-swapping
- Two LED's for HDD monitoring

## Requirements

- Windows 2000, Windows XP, Windows Server 2003
- Windows Vista 64 bit / 32bit
- Mac OS X 10.4
- Available Express Card slot

Please note, this Express card will not fit into CardBus slot

## Package Contents

- 1 2-Port eSATA ExpressCard
- 1 Driver CD
- 1 Quick Start Guide
- 1 Registration/Warranty Card
