Charge & Sync Pro - 6.5 ft (2m) USB to Lightning Cable

Charge & Sync Pro - USB to Lightning Cable

Designed as a replacement for factory Apple® Lightning cables or as an additional cable to keep in the office, car, backpack or briefcase, IOGEAR's Charge & Sync Pro USB to Lightning cables exceed OEM cable standards for performance without being stiff or difficult to coil. High-grade woven cotton/nylon materials increases durability, and make for a non-bulky, tangle-free cable. Oversized conductor diameter of 4.2mm provides better power transfer.

Charging

Use IOGEAR's Charge & Sync premium cable to connect your Apple Lightning devices, such as iPhone®, iPod® and iPad® to your computer's USB port or IOGEAR's 6-Port Super-Speed USB 3.0 Hub for efficient syncing and charging. The Charge & Sync Pro can also be connected with a USB to AC power adapter, such as the GearPower QuadSmart USB 4.2A Wall Charger for convenient charging from a wall outlet.

Sync

Synchronize and update your pictures, music, and videos in iTunes by connecting your iPhone 6, iPad Air 2 or other Lightning device using IOGEAR's Charge & Sync Pro - USB to Lightning Cable.

IOGEAR Charge & Sync Pro USB to Lightning cables are compatible with all Apple Lightning devices, USB chargers, computer USB ports, and aftermarket USB chargers with built-in compatibility for iPod® / iPhone® / iPad®.

- Compatible with all Apple® Lightning devices
- Cotton/nylon fiber weave cable jacket for increased durability
- Molded connectors with double-bonded strain relief for maximum cable life
- Oversized conductor diameter provides better power transfer
- 6.5ft (2m) length
- Easy grip, tangle free, and stain resistant

GPUL01 / 02 / 03
Charge & Sync Pro Lightning Cable

- Overmold protects all the electronics and adds extreme durability
- Inner mold permanently bonds metal shield to cable
- Metal shielding protects the PCB and inner wires
- Oversized conductor diameter for better power transfer
- Tangle-free high-grade cotton/nylon woven cable jacket for ultimate protection and abrasion resistance

Standard Lightning Cable

- Connectors are easily separated from cable with normal wear and tear
- Minimal strain relief
- Cable tangles easily

Requirements

- **iOS device with Lightning™ connector**
- Compatible Devices:
  - **iPhone Models**
  - iPhone 6s Plus
  - iPhone 6s
  - iPhone 6 Plus
  - iPhone 6
  - iPhone 5s
  - iPhone 5c
  - iPhone 5
  - **iPad Models**
  - iPad Pro
  - iPad Air 2
  - iPad mini 3
  - iPad Air
  - iPad mini 2
  - iPad mini
  - iPad (4th gen)
  - **iPod Models**
  - iPod touch (5th gen)
  - iPad nano (7th gen)

Package Contents

- 1 x GPUL02
- 1 x Warranty Card
