

GWAVRC

# Wireless Mobile and PC to HDTV Screen Sharing Receiver

- Wirelessly display your favorite content from your Windows 10 device
- Connect a desktop, laptop, tablet or Android smartphone or tablet to your HDTV, projector or display
- Send video and audio wirelessly up to 50 ft. (15 m)
- Full HD 1080p video resolution playback support
- Ideal solution for sharing PC content wirelessly at home, at the office, and in the classroom

## Wirelessly Mirror Your Windows® 10 PC or Android™ Device's Display

IOGEAR's Wireless Mobile and PC to HDTV Screen Sharing Receiver is the perfect solution for wirelessly streaming video and audio from your Windows 10 PC or Samsung Android 5.0 device to an HDTV, HD Projector or Display. Enjoy all your favorite content such as movies, videos, photos, applications and online sites including YouTube®, Hulu®, and Netflix® in Full HD without the hassle of connecting cables.

The Screen Sharing Receiver makes it easier than ever to stream or cast content directly to an HDTV from your Windows or Android 5.0 Samsung smartphones with SmartView app through its support for Miracast, the wireless display standard already built into your Windows 10 (OEM installations only) and Android 5.0 operating systems.

## Full HD 1080p Playback Support

Never compromise the viewing experience from your Windows 10 PC or Android 5.0 Samsung phone or tablet running SmartView app with the Wireless Mobile and PC to HDTV Screen Sharing Receiver. Stream audio and video in Full HD 1080p resolution ensuring your content playback looks as sharp on your HDTV or projector as it does on your device's display.

- Wirelessly display your favorite content from your Windows 10 device
- Connect a desktop, laptop, tablet or Android smartphone or tablet to your HDTV, projector or display
- Send video and audio wirelessly up to 50 ft. (15 m)
- Full HD 1080p video resolution playback support
- Ideal solution for sharing PC content wirelessly at home, at the office, and in the classroom
