

GWKIT4K

## 4K HDMI® Wireless Video TV Connection Kit

- Wirelessly mirror small screen from your HDMI source such as Blu-Ray™ or laptop with HDMI™ output to a big display screen or projector
- Maximum resolutions of 4K @30Hz
- Wireless 2.4/5 GHz using WPA-2 encryption with 128-bit AES
- Range up to 100 ft under optimal conditions
- Casting from your device to a big monitor takes less than a minute

### Wirelessly Broadcast 4K Video from Any 4K Capable HDMI Device

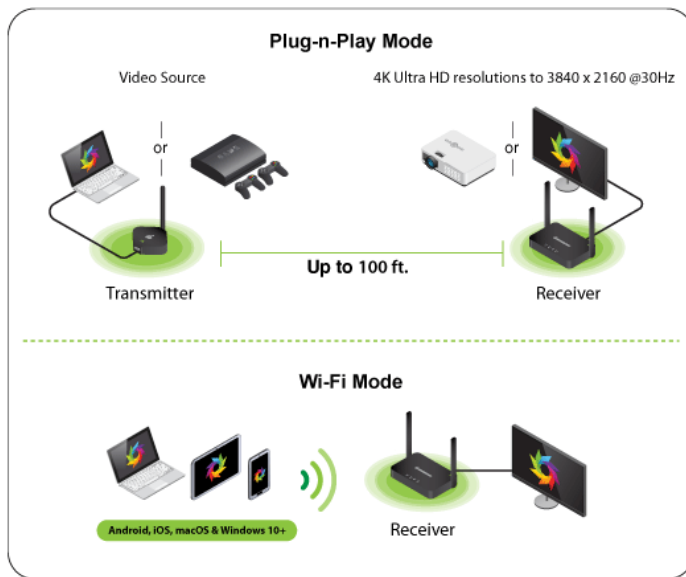

IOGEAR's 4K HDMI® Wireless Video TV Connection Kit is the perfect solution for wirelessly streaming 4K video and audio from your 4K game consoles, Blu-Ray® players, set top boxes or from your Windows 10+ PC, Android device, MacOS X, iPhone or iPad to your 4K UHD TV, projector or monitor. Use the built-in dedicated Wi-Fi to stream high quality 4K video and audio from up to 100 feet\* to any connected screen. Enjoy all your favorite content in 4K such as movies, videos, photos and online streaming sites including YouTube®, Hulu® and Netflix®\*\* in Ultra HD.

### Simple, Straightforward Setup

Installation is fast and straightforward. Simply connect the included transmitter to your HDMI source and plug the receiver to your TV and follow the simple onscreen instruction. The 4K Wireless HD TV Connection Kit creates its own dedicated wireless network and is not reliant on an existing in-building Wi-Fi network.

- Wirelessly mirror your HDMI source such as a Blu-Ray™ player or laptop with an HDMI™ output to a 4K display screen or 4K projector
- Maximum resolutions of 4K @30Hz
- Wireless 2.4/5 GHz using WPA-2 encryption with 128-bit AES
- Range up to 100 ft under optimal conditions
- Casting from your device to a big monitor takes less than a minute
- Streaming in mirror, or extend mode (extend mode for computers only)
- Comes pre-paired making setup a simple task by connecting HDMI cables and powering the transmitter and the receiver on
- Supports most video sources with HDMI input/output port
- Can go through some obstructions

## Requirements

### Plug and Play Mode

- Source with HDMI output.
- Display with HDMI input.

### Screen Sharing Mode

- Windows 10 or later.
- Mac OS 10.14 and later
- iPad iOS 10.10 and above.
- iPhone iOS 10.10 and above.
- Android Smart phones 10 and above.
- Google Chromebook.

## Package Contents

- 1 x Transmitter
- 1 x Receiver
- 1 x Power Adapter for Receiver
- 1 x USB to USB Micro Power Cable for Transmitter
- 2 x HDMI Cables
- 1 x Quick Start Guide
- 1 x Warranty Card
