*Add exFAT support for SD cards over 32GB. Paragon exFAT, NTFS & HFS+ App

Notes ¹ Requires Nexus Media Importer App or similar app to allow file access.

² SD cards limited to 32GB capacity. Rooted devices may be able to use Paragon exFAT, NTFS & HFS+ App to extend SD support beyond 32GB.

³ Some OTG hubs including IOGEAR GOFRH202 may not be supported due to insufficient power output from tablet.

⁴ Does not support USB mass storage.

⁵ Uses proprietary connector. Not compatible with micro USB connector.
